BAPE® OLIVE CAMO**

Japanese streetwear boutique A Bathing Ape (BAPE) collaborated with adidas for two of the rarest NMD R1 sneakers ever released: The Bape x NMD_R1 'Olive' and 'Black' colorways. Both unveiled in July 2016 for a limited release through BAPE retailers and select adidas flagship stores. The 'Olive' colorway features BAPE's iconic camouflage design across its upper with adidas' three stripes on the side panels in white.
